BAUER AG Christmas donation: €3,000 each for three institutions in Region 10

Schrobenhausen, Germany – Christmas donations have a long tradition at BAUER AG. This year, the international construction and mechanical engineering company is once again demonstrating its social responsibility by supporting social institutions in Region 10 with a total of €9,000.

Offene Hilfen Neuburg-Schrobenhausen, FIPS Kinderkrankenpflege in Vohburg, and Sozialstation Neuburg-Schrobenhausen are delighted to receive donations of €3,000 each. The three institutions do valuable work for people in need of support, for sick children and their families, and for people in need of care in the region.

With this Christmas donation, Bauer would like to acknowledge the great commitment of the employees in the social institutions and contribute to ensuring that important local services can be maintained and further developed.
